Landslide Alert – Important Advisory

This is an official communication from the Sikkim State Disaster Management Authority and District Disaster Management Authority (SSDMA & DDMA).

Due to continuous heavy rainfall, the risk of landslides has increased in several areas in Sikkim. All residents are advised to exercise extreme caution and adhere to the following guidelines:

- Avoid traveling through landslide-prone regions unless absolutely necessary.
- If you are staying in landslide-prone areas, remain vigilant and regularly monitor your surroundings for signs such as cracks, unusual water flow or soil movement.
- Avoid staying in vulnerable structures.
- Remain updated through official channels for further instructions.
- Follow any traffic advisories.
- Consult Special Weather Bulletin issued by IMD for authentic information.
- Download Sachet App (*National Disaster Alert Portal*) to get weather updates
- In case of emergency, contact local disaster management teams immediately.
