PRESS RELEASE FROM THE OFFICE OF APS TO HCM, NAMCHI

Newly Elected SRC of Government College Namchi Meets APS to HCM and District Administration

Namchi, 19 November: The newly elected Students' Representative Council (SRC) of Government College Namchi, led by its President, Mr. Nikheal Chettri, along with all the elected executive members, today held a series of courtesy meetings with Shri Bishnu Sharma, Additional Political Secretary to the Hon'ble Chief Minister, Namchi District, and senior officials of the District Administration.

During the interaction at his office, Shri Sharma congratulated the newly elected SRC members and appreciated their commitment towards student welfare and their willingness to shoulder leadership responsibilities. He encouraged them to discharge their duties with sincerity, dedication and discipline while upholding the aspirations of the student community. He also underscored the importance of constructive leadership, mutual cooperation and maintaining a cordial relationship with the college administration.

Thereafter, the SRC delegation paid courtesy visits to the District Collector, Namchi, Miss Anupa Tamling, and the Sub-Divisional Magistrate (Headquarters), Namchi, Mr. Nim Pintso Bhutia.

Both the District Collector and the SDM (Headquarters) warmly welcomed the newly elected student representatives, congratulated them on their electoral success and extended their best wishes for their future endeavours. The District Administration assured them of necessary support and guidance whenever required. They also advised the SRC members to maintain close coordination with the College Administration and concerned Government departments to ensure that student-related issues are addressed effectively.

The interactions provided an important platform for the newly elected student representatives to engage with public representatives and the District Administration, exchange views and gain insights into the importance of responsible leadership, institutional coordination and participatory governance.

The initiative reflects the importance of nurturing young leadership and encouraging students to take an active and constructive role in addressing issues concerning student welfare and contributing towards the overall development of the educational community.
