Press release from social welfare Department Gyalshing

Third Day of Aadhaar Enrolment/Updation-cum-Bank Account Seeding Facilitation Camp Held in Gyalshing District

Gyalshing, November 4 :The third day of the Aadhaar Enrolment/Updation-cum-Bank Account Seeding Facilitation Camp, organised as part of the celebration of Janjatiya Gaurav Diwas, was successfully conducted today at three designated venues across Gyalshing District, namely the DESME Office, Gyalshing, BAC Dentam and BAC Chongrang.

The camp was conducted under the supervision of Welfare Officer, Gyalshing District, Mr Pranay Subba.

Funded by the Ministry of Tribal Affairs and initiated by the Social Welfare Department in collaboration with the District Administrative Centre, Gyalshing District, the week-long facilitation camp aims to ensure extensive Aadhaar enrolment and updation, along with bank account seeding, for tribal students studying in Class X and below.

A total of 62 beneficiaries availed themselves of the facilitation services across all three venues on the third day of the camp.

Alongside the facilitation services, an awareness programme was also conducted to sensitise beneficiaries about the Narco Coordination Centre (NCORD) mechanism and the growing concerns surrounding substance abuse. The programme highlighted the importance of awareness, prevention and collective efforts in addressing drug-related issues in society.

The initiative aims to facilitate access to essential government services and welfare schemes by ensuring that eligible tribal students possess valid Aadhaar credentials and properly seeded bank accounts, thereby promoting inclusive access to government benefits and services
