

Press Release from Gangtok District Athletic Association

Gangtok District Athletic Association Announces “Asmita League 2025” — Empowering the Next Generation of Female Athletes

Gangtok, November 11 (GDAA): The Gangtok District Athletic Association (GDAA) proudly announces the conduct of the Asmita League 2025 on 19th November 2025 at the Reshithang Sports Complex, Gangtok. The one-day athletic meet is dedicated to empowering young female athletes and fostering inclusivity, participation, and sporting excellence across Gangtok District. The Asmita League stands as a flagship initiative of the Association, providing a vibrant platform for budding athletes to showcase their skills, teamwork, and determination. The competition will be held under two categories — Under-14 and Under-16 — featuring a range of track and field events.

- Under-14: Triathlon A, Triathlon B, Triathlon C, and Kids Javelin

- Under-16: 60m, 600m, Long Jump, High Jump, Discus Throw, Shot Put, and Javelin Throw

The Association emphasised that the Asmita League reflects its continued commitment to nurturing young talent and promoting equal opportunities for girls in athletics. The event not only celebrates the spirit of competition but also seeks to inspire confidence, leadership, and sportsmanship among participants.

This is an AFI-certified event, offering participants the valuable opportunity to be scouted by the Athletics Federation of India’s Talent Identification Team. The League thus serves as a gateway for promising athletes to advance towards higher levels of competition at the state and national stages.

Application Details

Schools and athletes interested in participating are invited to register through the official link below:

Registration Link: <https://forms.gle/bHg1nHgVmyHcrQdVA>
