

Press Release from WDC–PMKSY 2.0-Mangan District, Forest & Environment Department

On 25th of November 2025 The Watershed Mahotsav 2025 under PMKSY- WDC2.0 was flagged off at the district level for the Mangan 1 at Lingchom Tingda GPU & Mangan 2 at Mangshilla Tibuk GPU project under WDC–PMKSY 2.0 today. All committee members and villagers attended the programme, where the agenda for upcoming activities—such as Bhoomi Poojan, Shramdaan, Run for Watershed, and others—were discussed and announced.

To ensure the success of the Watershed Mahotsav, attendees were encouraged to actively participate in all scheduled events. Information about the Social Media Competition was also shared, along with the link and procedure for participation. Committee members were requested to further disseminate this information among villagers and Local influencer who may be interested.
