Tathang JHS Observes Earth Day,2026

Gyalshing, April 22: Tathang Junior High School (JHS) observed Earth Day, 2026 with great enthusiasm and active participation from students and teachers. The theme for this year was "Our Power, Our Planet."

The programme was organised under the banner of the Eco Club, Tathang JHS.

The celebration began during the morning assembly where Mr Vibek, nodal teacher of the Eco Club, highlighted the importance of Earth Day and explained the need to protect our environment. He encouraged everyone to take responsibility for conserving nature and using resources wisely. He was accompanied by Ms Dolma Sherpa, Eco Club nodal teacher.

Mr Prem Kumar Subba, Headmaster also shared his valuable insights during the event and motivated everyone to work together for a cleaner and greener planet.

Various activities such as a rally, painting competition, and speeches, cleanliness drive were conducted to mark the occasion. Students actively participated in the rally by carrying placards, banner and spreading awareness about environmental protection.

The painting activity showcased students' creativity and concern for nature, while speeches delivered by students focused on saving the Earth and reducing pollution.

The programme was successful and meaningful, creating awareness among all present about the importance of protecting Mother Earth.
