Release of WiSE Ranking for July 2026

The Urban Development Department, Government of Sikkim is releasing the WiSE (Ward Index for Sanitation Excellence) Ranking for July 2026. WiSE is a monthly performance assessment programme covering all 21 wards under the Gangtok Municipal Corporation (GMC).

The ranking is based on 10 assessment parameters, including citizen participation, Information, Education and Communication (IEC) activities, resident feedback, source segregation, waste management practices and other key sanitation indicators, in accordance with the Solid Waste Management Rules, 2026 and the recent directives of the Hon'ble Supreme Court. The WiSE Ranking will be released every month to strengthen sanitation and cleanliness across all wards, promote source segregation of waste, enhance community participation and encourage sustainable behavioural change through healthy and positive competition among wards.
