

Mangan District makes steady progress in distribution and digitisation of SIR Enumeration Forms; About 62% digitisation complete till date

Mangan, June 18: Under the guidance of the District Election Officer, Mangan, the distribution and digitization of Enumeration Forms (EFs) under Mangan District is progressing steadily. As of 4:30 PM on 18 June 2026, a total of 31,732 Enumeration Forms, representing 98.22% of the district's 32,305 electors, have been distributed by 52 Booth Level Officers (BLOs) across the three Assembly Constituencies of Kabi Lungchuk, Dzongu, and Lachen-Mangan. Further, 19,941 Enumeration Forms, accounting for 61.72% of the total electors, have already been digitized.

Among the constituencies, Kabi Lungchuk AC has recorded the highest number of digitized forms with 7,841 entries, followed by Dzongu AC with 6,869 entries and Lachen-Mangan AC with 5,231 entries.

The District Election Office has appreciated the efforts of the BLOs and reiterated its commitment to achieving 100% distribution and timely digitization of all Enumeration Forms in the district. Electors are requested to extend their cooperation to facilitate the successful completion of the ongoing exercise.
